

**FOR IMMEDIATE RELEASE**

**RT Prime Industries Group Ltd. Acquires Leister Blake Enterprises Ltd.**

**Expanding Presence and Capabilities in Greater Vancouver**

**Vancouver, BC – March 3, 2025** – RT Prime Industries Group Ltd. is pleased to announce the successful acquisition of Leister Blake Enterprises Ltd. (LBE), a highly regarded company with 35 years of industry expertise. This strategic acquisition marks a major milestone in RT Prime’s growth, strengthening its service offerings and expanding its footprint with a new office and warehouse in Vancouver.

“This acquisition reinforces our commitment to delivering top-tier manufacturing, engineering, and supply chain solutions,” said Ray Cao, President at RT Prime. “LBE has built a strong reputation over the past three decades, and we are excited to integrate its expertise into our operations, ensuring continuity for existing customers while offering enhanced capabilities.”

**Seamless Transition and Expanded Services**

Customers of LBE will experience no disruption to their current services and will now benefit from RT Prime’s broader capabilities, including:

- Injection molding
- Metal casting
- CNC machining
- Full assembly solutions
- Mechanical & tooling design
- ISO 9001: 2015 Quality Assurance
- Warehousing services in Greater Vancouver
